

DEAR PERSONAL INJURY PATIENTS:

As you all are aware, our purpose is to get you feeling better as soon as possible. The doctors here can only do this if their treatment plan is followed as written. It is therefore critical for your care that you DO NOT miss your appointments.

If you have an emergency and cannot come on your appointment day, please call the office and reschedule as soon as possible.

We will do everything possible to get you on the road to recovery, but we need you here to do that.

Yours in health,

GEORGIA SPINE AND SPORTS REHAB
